Tell them the problem and ask to see if they can recover the images for you If they can, they can write them to a CD for you.. Fujifilm today announced the launch of the FinePix F20, an affordable and slimline 6.. Fujifilm Finepix S1Fujifilm Finepix S1The first thing to do is remove the card from the camera and take it to your local photo processing location.. If they can't you will need photo recovery software and a card reader A card reader will cost about \$20.. Now I am looking to find - Cameras question Install the "Software for FinePix" as instructed in the Quick Start Guide or owner's manual.
